

2022 Sponsorship Opportunities for the Belchertown Market

Why Sponsorship?

The Belchertown Farmers and Artisans Market runs Sundays in June through October on the Belchertown Common. Like many events, the market incurs operating expenses such as liability insurance, advertising, etc... As we work to grow our market and reach further into our community, sponsorship funds are essential for promoting and sustaining local vendors who participate, including small farms, local artisans and entrepreneurs. Hundreds of community members have come to rely on the fresh, local products that our vendors work hard to supply each week.
